

Noteon Cookie Policy

Noteon website

Effective date: 2026-02-02

1. Introduction

This document explains how Noteon uses cookies and similar technologies on the website.

2. Technologies we use

- Cookies required for the basic operation of the site.
- localStorage to store language preference and consent status.
- sessionStorage to cache IP-based geolocation (about 1 hour).
- Lightweight pixels or beacons to count download clicks (no profiling).

3. Cookie categories

- Essential: to operate the site and ensure security.
- Analytics: traffic statistics and site improvement (EU consent required).

4. Purposes

- Ensure the site works properly.
- Remember language preferences.
- Statistics and site improvement.
- Security and abuse prevention.
- Measure installer download intent.

5. Consent and control

In the EU we ask for consent for analytics. You can withdraw consent at any time by clearing site data in your browser or changing cookie settings.

6. Retention

- localStorage remains until you delete it.
- sessionStorage is temporary and expires when the tab is closed or the cache window ends.
- Logs and aggregated statistics are retained as long as needed for analytics and security.

7. Contact and changes

If you have questions about cookies, contact us at contact@mmssoftware.co. We may update this policy; the current version is published on the website.
